

## **West Corporation Announces Pricing of \$400 Million Private Placement of 4.75% Senior Secured Notes due 2021**

**OMAHA, NE, June 9, 2016** – [West Corporation](#) (Nasdaq:WSTC) today announced the pricing of \$400 million in aggregate principal amount of 4.75% senior secured notes due 2021 (the “Notes”) in a private placement to eligible purchasers. The Notes mature on July 15, 2021 and will be issued at par.

Net proceeds of the Notes will be utilized to repay term loans, currently set to mature June 2018 or later. The offering of the Notes is expected to close on June 17, 2016, subject to customary conditions.

The Notes will be offered in a private offering exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). The Notes will be offered only to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A and to certain persons outside of the United States pursuant to Regulation S, each under the Securities Act.

The Notes have not been and will not be registered under the Securities Act or any applicable state securities laws, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Notes in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

### **About West Corporation**

## **Forward-Looking Statements**

This press release contains forward-looking statements. Forward-looking statements can be identified by the use of words such as "may," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "intends," "continue" or similar terminology. These statements reflect only West's current expectations and are not guarantees of future performance or results. These statements are subject to various risks and uncertainties that could cause actual results to differ materially from those contained in the forward-looking statements. These risks and uncertainties include, but are not limited to, West's ability to complete the proposed refinancing on the terms described or at all; competition in West's highly competitive markets; increases in the cost of voice and data services or significant interruptions in these services; West's ability to keep pace with its clients' needs for rapid technological change and systems availability; the continued deployment and adoption of emerging technologies; the loss, financial difficulties or bankruptcy of any key clients; security and privacy breaches of the systems West uses to protect personal data; the effects of global economic trends on the businesses of West's clients; the non-exclusive nature of West's client contracts and the absence of revenue commitments; the cost of pending and future litigation; the cost of defending against intellectual property infringement claims; the effects of extensive regulation affecting many of West's businesses; West's ability to protect its proprietary information or technology; service interruptions to West's data and operation centers; West's ability to retain key personnel and attract a sufficient number of qualified employees; increases in labor costs and turnover rates; the political, economic and other conditions in the countries where West operates; changes in foreign exchange rates; West's ability to complete future acquisitions, integrate or achieve the objectives of its recent and future acquisitions; and future impairments of our substantial goodwill, intangible assets, or other long-lived assets. In addition, West is subject to additional risks related to its level of indebtedness. Such risks include West's ability to generate sufficient cash to service its indebtedness and fund its other liquidity needs; West's ability to comply with covenants contained in its debt instruments; West's ability to obtain additional financing, including the proposed refinancing indebtedness; the incurrence of significant additional indebtedness by West and its subsidiaries; and the ability of West's lenders to fulfill their lending commitments. West is also subject to other risk factors described in documents filed by West with the United States Securities and Exchange Commission.

These forward-looking statements speak only as of the date on which the statements were made. West undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent required by applicable law.
